# Life Groups at Life Pointe Church

## Life Groups at Life Pointe Church

Life Groups are a network of "house churches" or growth groups of 8-12 people. They meet throughout south Miami-Dade county in homes, businesses, boats, cafes, and spaces where spiritual conversations, relational connections, and prayer can take place.

We host three semesters of Life Groups annually: Fall, Spring and Summer. Semesters typically run 10-12 weeks at a time. The goal of each group is to build a foundation for significant relationships within the church and community and to multiply the network of groups in keeping with our mission of loving God and man with reckless abandon.

## Group Dynamics

Each group has its own personality. While some groups are highly organized and have strong teaching elements, others have a more chaotic, highly relational feel to them. Some are organized around activities/affinity (such as boating, singles,

## Our Hope for You

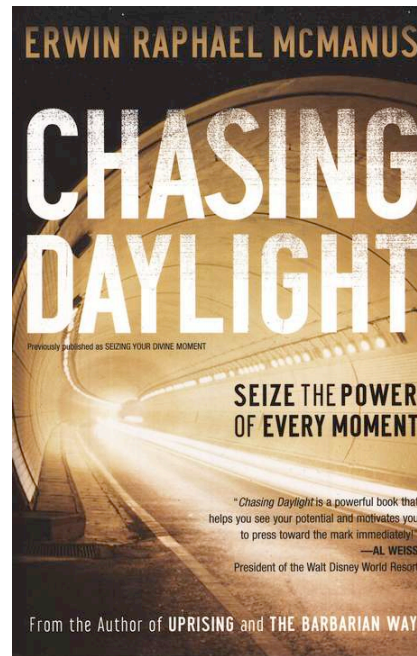

Our hope for every person at Life Pointe is that they would attend a Sunday morning service, commit to a life group, and serve in a ministry of some sort. A life group is a critical component of everyone's spiritual growth. Your life group will help you to become a more devoted follower of Jesus Christ.

## PRIMARY GROUP CURRICULUM

## CHASING DAYLIGHT

The biblical account of Israel's war with the Philistines (1 Samuel 13 and 14) and the characters of Saul and Jonathan demonstrate the difference between living a life of purpose and adventure, and living one of apathy and missed opportunity.

This book specifically profiles the life of Jonathan as a Biblical pattern for living and adventurous life of purpose.

## CURRICULUM INFORMATION

### SOUL CRAVINGS

We can spend our whole lives trying to satisfy the one insatiable part of our being, our soul craving. Our capacity for spiritual experience both proves our need for something greater than ourselves and leaves us wanting when we fill it with anything but God.

### MYSTERIES OF WORSHIP

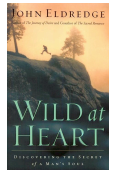

A weekly study on the mysterious and biblical nature of worship. Is intended to compliment the

growth of worship musicians, vocalists, and artists.

### WILD AT HEART

God designed men to be dangerous. Look at every boy's dream: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." In this study, you will be given permission to be what God designed them to be-dangerous, passionate, alive, and free.

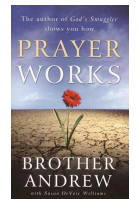

### FACING YOUR GIANTS

Like David, you know your Goliath. You recognize his walk, the thunder of his voice. He taunts you with bills you can't pay, people you can't please, habits you can't break, failures you can't forget, and a future you can't face. But just like David, you can face your giant, even if you aren't the strongest, the smartest, the best equipped, or the holiest.

### PRAYER WORKS

Does prayer really affect what God does? Using illustrations from Scripture and his own experiences, Brother Andrew shows you that God has indeed changed his mind because of the pleas of his people. You'll learn the difference between personal and intercessory prayer, how to listen and talk to God, and how to respond when he says no.

### LPC CAPSTONE COURSE

This course serves as the overview from which our theology & community springs. Content includes overview of our church and core values, doctrinal exploration of Scriptures, God, Creation, Sin, Salvation, Missional Church, Stewardship & Spiritual Gifts. We explore basic biblical theology and how this teaching plays out practically in the way we embody the gospel in the neighborhood in which we live.

## FREQUENTLY ASKED QUESTIONS

### *Do groups provide childcare?*

Some groups provide childcare in the home of the Life Group. Those groups are noted in the catalogue.

### *Do all groups provide refreshments?*

Many groups provide refreshments. That is decided by the group on its first meeting.

### *What is a successful group like?*

Groups tend to take on a personality of their own. We actually encourage that. Still, our definition of a successful group is one that facilitates Biblical discussion, relationships, prayer for one another, and an attitude of growth

### *Will I have to pray in front of people?*

No one is singled out to do anything in front of the group. All participation is determined by the individual moving forward at your comfort level. However, opportunities will be provided for everyone to serve the group in some capacity.

### *Should I bring a Bible?*

Having a Bible is helpful in a life group but not necessary since all Scriptures referenced in the studies are in the course material. If you do not have a Bible, your group leader can provide one for you.

### *How long does a group last?*

Groups last no longer than an hour and thirty minutes. Punctuality at the end of the night is vital to the success of a group. While everyone enjoys spending time together, it is better to leave people wanting more than to overplay the group.

### *Why is each semester only 10-12 weeks?*

One of our core values is leader multiplication. Providing shorter semesters gives more people the opportunity to move up the leadership ladder.

The semester system also helps us give people natural breaks with the school and holiday calendar.
